In 2025, we continued our partnership with Odyssey of the Mind™, an international science, technology, engineering, arts, and mathematics (STEAM) competition in which students in kindergarten through college work together to solve creative problems at the regional, state, and global levels.

For over 175 years, we have been committed to encouraging inventive problem-solving from the kitchen to the outdoors, to the classroom, empowering millions of consumers to dream up countless versatile uses for ARM & HAMMER baking soda. In 2025, our ARM & HAMMER brand team's continued support of Odyssey of the Mind and STEAM education included:

- Sponsoring a problem where teams will use ARM & HAMMER baking soda as a key element in their solution and performance.
- Providing \$100,000 in sponsorship to support STEAM.
- Sharing virtual content at Odyssey of the Mind™ World Finals in May 2025 at Michigan State to provide edutainment to the thousands of teams and families in attendance. This partnership will help us to advance our mission of championing innovative thinking, and we are excited to see the creative solutions these powerful young minds come up with as we continue our support in 2026.

### THE ARM & HAMMER BAKING SODA BRAND TEAM PROUDLY LAUNCHED THE 2<sup>ND</sup> ANNUAL ARM & HAMMER BAKING SODA ROCKET DAY

It was an unforgettable day filled with smiles and inspiration. The kids and teachers had an absolute blast! Seeing their faces light up with curiosity and excitement was truly priceless.

The ARM & HAMMER Baking Soda Rocket Day was more than just fun; it was about inspiring curiosity and imagination in young minds and sparking a lifelong passion for STEAM. Everyone who participated made this day so special. Their enthusiasm and engagement were the fuel that made this event soar.

The ARM & HAMMER Laundry team continued to pioneer the laundry category as a SkinSAFE™ Trusted Choice brand, marking its fourth year of certification in 2025. SkinSAFE™, in partnership with the Mayo Clinic, uses over 25 years of clinical skin testing data to help consumers with sensitive skin make safer product decisions. # TROJAN<sup>®</sup> CONDOMS

As the leading condom brand and a leader in Sexual Wellness, the TROJAN brand team is committed to promoting sexual health through education and increasing awareness among young adults in the U.S. about the risks of unprotected sex—notably unintended pregnancies and sexually transmitted diseases (STDs)—while enhancing brand affinity. We do this through various partnerships, including Advocates for Youth's Condom Collective, generous donations to Public Health organizations across the country, and active involvement in the LGBTQ+ community.

In 2025, we:

- Continued our partnership with Advocates for Youth's Condom Collective – a youth-led grassroots movement to make the U.S. a sexually healthy nation – to donate condoms to student-run safe sites in a peer-to-peer program on college campuses. The Condom Collective focuses on 1) providing condom distribution resources to make condoms available to every student who needs them, 2) educating young adults on the value of condoms as a contraceptive, and 3) ensuring access to contraceptives is a right for all.
- Continued our long-standing partnership with the National Coalition of STD Directors (NCSN) by donating 1 million condoms to public health organizations across the country. Together, we refocus attention, resources, and consumer education on condoms as a highly effective form of STD and unintended pregnancy prevention. Through this partnership, we also continue to support the "Condom Connect" Initiative, a partnership between NCSN and the TROJAN Condoms brand team since 2014, that provides free condoms to member health departments and partners to increase access and normalize usage.
- Sponsored a booth experience at Cincinnati Magazine's annual Pride Party, a high-energy, event held the Friday of Cincinnati Pride weekend with live music and giveaways, the TROJAN booth was very welcoming, with a fun bedroom setup (that served as the perfect backdrop for photos!) and giveaways, including free samples of Bareskin Raw™ condoms to prepare attendees for a weekend of safe fun.
- Supported Callen-Lorde, a NYC-based global non-profit leader in LGBTQ+ healthcare, through a donation and attendance at the 2025 Community Health Awards ceremony, as an extension of our Bushwig sponsorship and in honor of Bushwig co-founder Simone. Bushwig is an annual community-created and run festival in Bushwick, NYC that celebrates LGBTQ+ music, art, and culture. The TROJAN brand team had the honor of being Bushwig's only corporate partner and encouraged festivalgoers to embrace their boldness. In addition, in honor of Callen-Lorde's 25th anniversary, the team made a special donation of 25,000 condoms for Callen-Lorde to distribute through their clinic network, helping keep the LGBTQ+ community safe and protected from STDs while enhancing brand affinity.

## THE ARM & HAMMER PET CARE TEAM REMAINS DEEPLY COMMITTED TO SUPPORTING PET ADOPTION AND IMPROVING THE LIVES OF SHELTER ANIMALS

In 2025, the team advanced its mission to champion providing shelter cats with safe, lifelong homes through its ongoing partnership with the ASPCA and animal shelters nationwide, driving greater awareness for pets in need of loving homes.

Through the Feline Generous program, we reinforced our commitment to rescue organizations by contributing \$145,500 in donations alongside product and material donations, supporting care and adoption efforts for cats across the country.

In June, we celebrated our 5th annual partnership with the ASPCA during National Adopt a Shelter Cat Month. The ARM & HAMMER Cat Litter brand team triple-matched donor gifts dollar for dollar, up to \$75,000, helping provide essential supplies for foster caregivers, food for animals in care, rescue support, and lifesaving veterinary treatment. This initiative successfully enabled the adoption of 333 cats and kittens, exceeding the program goal of 325.

We also continued our 7-year partnership with Morris Animal Refuge, a pioneer in animal welfare dedicated to adoption, education, and compassionate care. Our \$15,000 donation and ongoing Pet of the Week features supported their ongoing efforts to serve as a safe haven for pets and raised awareness of available pets for adoption.

In November, the ARM & HAMMER Pet Care team honored the National Animal Shelter Appreciation Week with a social media giveaway on Instagram, where over 1,000 shelters were nominated by consumers. Ultimately, 3 winning shelters received \$10,000 grants each, for a total of \$30,000 donated to support all their efforts in animal welfare and adoption.

# Hero.

## THE HERO BRAND TEAM CONTINUED TO ADVANCE ITS SUSTAINABILITY AGENDA WITH A FOCUS ON PACKAGING, RECYCLABILITY, AND CORPORATE SOCIAL RESPONSIBILITY (CSR)

We adopted the How2Recycle (H2R) labeling system across our existing packaging, with plans to apply the labeling consistently to all new product launches. We also maintained Forest Stewardship Council (FSC) certification for all cartons and continue to actively explore opportunities to further improve the recyclability of our packaging portfolio.

In addition, the HERO brand team reinforced its commitment to social responsibility and enhanced brand affinity by delivering seven culturally relevant campaigns aligned with key cultural moments throughout the year. These included Black History Month, Asian American and Pacific Islander Heritage Month, Pride Month, Juneteenth, Hispanic/Latinx Heritage Month, World Mental Health Day, and Giving Tuesday. Each campaign was supported by donations to relevant nonprofit organizations.

We are proud of the progress made in 2025 and remain committed to building on these efforts as part of our ongoing sustainability and CSR strategy.
